Project

Luber Dental Office

Location

Symmes Township, Ohio

Owner

Dr. John Luber, DDS

Project Cost

\$250,000

Project Description

This new dental office incorporates the use of attractive lighting, rich, expressive colors and materials, and natural light in each of the six patient areas to transform an office condominium into a warm, soothing environment where patients feel at ease in their dentist's care. Opening on time and on budget, the 2,650 SF facility's award winning design creates a comfortable, efficient environment for patients and staff.
