Project

Mercedes-Benz of West Chester

Location

West Chester, Ohio

Owner

HCH of TriCounty LLC

Project Cost

\$ 6.8 Million

Project Description

A new Mercedes-Benz dealership incorporating the 'Autohaus' national design influences has been constructed on a seven acre site at the West Chester - Union Center interchange along I-75. This 61,000 SF building incorporates bold color accents, a razor thin roof profile and expressive metal textures. The facility was completed on schedule and opened May 31, 2005. A total construction budget of \$6.8 million was also successfully met.
