

ArchitectsPlus

Project

Sears Department Store Expansion and Remodel

Location

Traverse City, Michigan

Owner

Sears Roebuck & Company

Project Cost

\$4,500,000

Project Description

ArchitectsPlus has enjoyed a long association with Sears. This project included the expansion of the existing store into 30,000 SF of the adjoining mall and the renovation of the 69,000 SF of the current store. Originally constructed in 1977, the store had been expanded and remodeled twice previously.
