## Project

### The Design Center

## Location

Blue Ash, Ohio

## Owner

The Design Center, LLC

## Project Cost

\$2,100,000

## Project Description

This new, expanded facility replaced an office building completely destroyed by the tornado of 1999. The new building occupies 20,000 SF and is home to a range of design, engineering, and construction service companies. The building features bold architecture and modern design.
